Lifeline Baptist Church, Mansfield TX

We raised \$540 for our missionary Robert Baidya's trip to Philippines!

Our booth at the Association meeting was a wonderful way in which we could raise Mission funds for Bro. Baidya. He is going to the Philippines next week and needed extra funds to meet with Bro. Bill Johnson at ICP (they graciously purchased his plane ticket) and will be training him to do printing work. He will use this training in Bangladesh!

We thank God for fellow ministers at Lifeline: My fellow ministers at Lifeline took care of our services while Alice and I traveled on our vacation as well as the week of the ABA in Orlando. I want to thank Jase Fuller, our young adults minister, and Terry Edwards, retired pastor, and Stephen Davis, Media man and teacher!

Help us with our car fund! Our old Buick's transmission was about to go out and so we purchase a '16 Enclave by faith. This vehicle was perfect for our trip to the ABA. However, we need your help please if you could send some extra offerings our way, it will help us greatly to cover the monthly costs of this ministry vehicle!

We had a wonderful VBS! Thank God for great workers and volunteers! Rickly Langford was our director and we had over 30 in high attendance.

New people continue to return! We are enrolling folks into our discipleship and membership classes now.

Thank you to all who support Texas missions. I can be reached at (817) 726-8781, or visit:

Steven Haney- Lubbock- Texas Tech MBSF Director

Another School Year Down May was good for what it was. We always struggle to do much in May due to there only being 2 weeks of school and that second week being Finals week which means we don't do much that week at all. However, at our last Bible study we had 5

students which was good for that Monday, so I was happy about that. We also did a “*Breakfast for Dinner and Movie*” night to celebrate the end of Finals and had 7 students show for that! One big thing we did was take our annual vote for officers and had our previous VP ask to step down due to class schedules for his last year. Our Student Org rep stepped up and was voted in as VP and one of our previous freshmen was put in as our student org rep. Our student president remained in office for another year. I am excited for these officers and look forward to getting started again in the Fall!

We have plans to hold a couple of booths this summer during the campus tours for prospective students. As students considering TTU come in with their parents they walk a tour path around campus and TTU allows Student Orgs to set up booths to hand out material in certain places along the tour path, so please pray that we can make some good contacts with those booths! Also please begin to pray for us as we get things ready with handouts and flyers/material for our welcome week booth in the fall that we will be able to get a lot more students involved this next year.

Our monthly support was about \$3,600 for the month which is always a blessing. We are still trying to reach our \$4,500/month goal to find an MBSF house. I am still keeping up with Zillow and looking for a house but as of yet nothing within in our price range has come on the market close to campus. It may take the housing market going back to at least close to what it was pre-covid before we find one, but God can open doors that we haven't considered so please continue to pray with us! If anyone has any questions, please let me know at s_haneymbsf@outlook.com or 806-470- 2850. Thank you all and may God bless!

Shiloh MBC for May Report

Stats: Salvation 1, Lettered 0, Statement 0, Church offering \$3574.00, Paid to Missions \$300.00. Sunday School attendance 23, Sunday worship 30, Sunday evening 20, Wednesday evening 17.

We Praise the Lord for his love and blessings for the month.

1. **We hosted a three-day VBS, and we handed out 200 invitations** in the community and through our membership we had 6 children attend. Our main prayer was answered that we would have children come to VBS. We also had an adult man come (who was invited by our newest member from her apt complex) that resettle to San Antonio from Houston that came from Uganda Africa as a refugee. After talking with Liman, I noticed that God was working on him from day one of our VBS. I talked with him on day two as we were BBQing hotdogs and I asked if he had a relationship with Jesus Christ? He replied that he felt welcome and loved on Friday evening and when he heard the lesson of the wickedness of man before the flood that he called upon Jesus Christ and said, “thou are the one, and asked God for forgiveness and to be saved.” Pray for him as we shared about having a relationship and serving in the Lords Church with Baptism and he said he would like to come on Sunday to request Baptism. I am so thankful that God answers prayers and our efforts were not in vain.

2. **We are thankful for the successful back/nerve surgery of brother** Mark (who stepped up to oversee the Haven of Hope van ministry in Feb while I had my hip replacement), having two surgeries and is recovering well. I was so thankful that both times his Dr and staff allow me to

come back prior to the surgery to pray over the doctors/staff and the procedure so that brother Mark would not become paralyzed. God took care and all was good. We had a Father's Day luncheon for all of our wonderful dads. **In closing**, the Lord added another blessing that I am so undeserving of for the National meeting: due to finances and health with the hip, **Alvin MBC** blessed my wife and I to fly out and stay for the National meeting. Brother **Justin Gatlin**, Brother Chris Meek and Sister Kelly have been a big help getting us around. Pray for us as we can put out the need for a Church building/ soup kitchen. Thank you for your prayer and support.

Glenn McCarver- El Paso- Borderland MBC

When God Calls

When God called Raúl into the ministry in December, I had hopes that he would be a great blessing to the work here in the Borderland. Then, my beautiful granddaughter was born last month, and I felt like a truly blessed man. Then, as they say, the other shoe dropped. Raúl and Cala told us before Bible study recently that God was leading them to Phoenix. This grandpa's heart cried out, "No! You can go, but Cala and the baby need to stay!" However, this missionary's heart listened intently as they told me of a family that they desperately want to see come to know Jesus as their Savior. I listened as they told me how God had opened doors there for them, that He hadn't opened here. What was I to say, but when God calls, you answer.

A New Season

To everything there is a season, and my oldest son, Ethan, graduated from high school this month. I have watched as a young, dimple-faced boy has grown into a young man. As he begins to face life as a young adult, I ask that you join with me in praying for him to follow God's will for his life! Growing up wasn't easy for me as a teenager, but every year that goes by, it gets increasingly difficult for young people in this world. Ethan, may God bless you and shine His light upon you!

South of the Border

Continue to pray for our ministry south of the border as well. Our two cities, El Paso, TX and Juarez, Mexico, are extremely connected through families on both sides of the border. What happens in one city affects the other city. There are over 800,000 in El Paso, and 1.5 million in Juarez. Please pray that as God calls, men will answer the call for salvation as well as ministry!

In His Service,
Glenn McCarver

Greg Devine- Rosharon- New Church Plant

June has been full of opportunities to carry out "the work of ministry" (Eph. 4:12) here in South Texas. I filled the pulpit at my sending church while Bro. David was out of town for the national meeting and ministered to a man and his family who is already very dear to us after the passing of his dad. It's a privilege to serve others within our newly forming work, but also others here in our association. · God is blessing our Sunday night Bible study. On the 19th, we had all 3 of our regular families here at the same time to give us an attendance of 18. We have one family that the mom and kids have been coming for several weeks, and we are excited to say that the

dad has also now come for two Sundays in a row! Rejoice with us and pray for him that he would continue to be faithful in attendance along with our other families. · I have begun volunteering weekly at the pregnancy center in their men's ministry on Mondays. I have already ministered to 4 young men, 3 of which do not have a church home. Amy continues to volunteer on Tuesdays. Please pray for Amy that she would be able to minister to a 14-year-old pregnant girl that she has connected with. · Since our last report, our son Dale has been hired as an auto mechanic! His boss is a member of Nevill's Chapel MBC in Mount Pleasant and is working on establishing an auto repair ministry with Macedonian Mission Service. God has really blessed to bring Dale to such a great opportunity right out of high school. · Please pray for us as we pray and consider the next steps for this work, including the beginning of a worship and preaching service this fall. We are excited to see what God has in store for the second half of 2022!

Thank you for your support! Bro. Greg Devine

Larry Watson- Rockdale- Landmark MBC

We are praising the Lord for His blessings here in Rockdale! This month started with the church surprising me with a celebration of my 2-year anniversary as their pastor! I'm blessed to pastor this loving congregation! Early in the month, my nephew came forward for baptism after hearing we were having a baptismal service at the end of the month. He had been saved at youth camp a few years earlier and had not followed in Baptism. We ended the month with the baptismal service where I was able to baptize my son, daughter, and nephew! Please continue to pray for them as they walk with the Lord.

We also had 3 first-time visitors, including a couple that live here locally, and multiple returning children for the summer. We have had the chance to share the gospel with the children and are praying for the seeds that have been planted.

July will be a busy month with many opportunities to reach out to the community. We will be having a 45-year anniversary celebration on July 9th, if you are in the area, we'd love to have you join us!

Stats: We averaged 12 in SS; 19 in MW; 12 in EW; and 11 on WE.

Given to Missions: \$554.60; Offerings \$4, 046.00 with 3 Joined by Baptism and 3 first-time visitors!

Joe Bozarth- Conroe- Fellowship BC

June 2022 Fellowship Baptist Mission

God has richly blessed Fellowship Baptist Mission! Our summer has been really busy so far; everyone is getting ready for Vacation Bible School. It's just around the corner! Anyone who wants to assist is welcome to come join us in July. We will find the perfect spot for you!

It's official. Our building and property are now paid in full. The mission is debt-free!!! We had an addition this past month. Miss Jo has been visiting with us for so long now; she was a part of us before she joined. We are happy to officially have her as one of our members.

Our averages for June 2022:

Sunday School.....25
Morning worship.....29

Evening Worship.....15
Wednesday Bible Study.....8

The total offerings of members \$6292.10
Gave to Missions \$729.20

Thank you for your prayer and offerings.

Bro. Joe

Please consider making Texas MBA a part of your faithful missions giving. If you'd like to have me come and present our current works, and encouragement of additional works at your church, please call me at (281) 948-5915. I have a few appointments open before and after the National Meeting in Orlando, June 2022.

Dan Mendoza, Sec/Treas of Missions.
