

MEXICAN BAPTIST INSTITUTE  
Reynosa, Mexico

I want to thank the churches of the Texas missionary Baptist Association for your continued support of the Mexican Baptist institute. It is through your support and prayers that we are able to continue with the quality of teaching and training that we are able to give our students. Thank you for the finances that you provide for our student mission trips, that we make twice a year. These trips inspire our students to go do the mission work that they see other missionaries doing? In the last 22 years, our graduates have gone on to begin over 25 new missions in Mexico, Texas and Honduras. We give the glory, and the honor to our Lord Jesus.

We begin our school year with 38 students. During the semester we lost one student and continue with 37 active students in classes.

Our students come from different parts of Mexico. They come from San Luis Potosi, the state of Veracruz, Yucatán and Nuevo Leon, Mexico. Most of them will finish their studies and return to their home state where they will either serve in their churches, or begin a new mission work. In the last two years, two of our graduates, have filled empty pulpits.

The need for more God called men Will continue to be urgent, as the population grows and less men are answering the call to the ministry. As believers, we need to obey our Lord Jesus, and pray the Lord of the harvest, send more laborers into his fields. This is a call to which we must be diligent in responding, as the world more desperately needs the message that the churches of our Lord Jesus, are called to proclaim.

We are in the process of finalizing the purchase of a property that will house the new facilities of the Mexican Baptist Institute. In the next few months, we shall be developing a site plan and architectural plans for the new building. We ask for the Lord's guidance, that we may erect facilities, that will honor and glorify him, a center of education and training for men and women answering the call of the Lord for ministry.

We know that there are many ministries worthy of your church's support. If you are considering a ministry to support, we ask you to prayerfully consider supporting the Mexican Baptist Institute.

We only have one lifetime to offer our Lord, and it come to an end without notice. What we do with this life here on earth will determine our status in the life to come. Invest in that which promises eternal rewards. Strive to hear the words from our Lord Jesus, "well done, good and faithful servant..."

Respectfully submitted,
