

2023 Report to the MBA of Texas

Greetings from the Texas Mission Builders. We are thankful for the opportunity to serve the Churches of Texas another year. The Lord has blessed us with more full-time workers who have been a huge help to the work we do.

The projects we have worked on this year:

Baptist Book Store, Texarkana
Suburban Acres MBC, Silsbee
Concord MBC, Zavalla
Seminary, Mexico
Eastside MBC, Jacksonville
Heritage MBC, Tyler
Logansport MBC, Logansport, La
Concord MBC, Zavalla
Timpson MBC, Timpson
Gallatin MBC, Gallatin
Holleyman Chapel MBC, Maydell
Oakland MBC, Rusk
Timpson MBC, Timpson
Unity, Richwood
Bethlehem MBC Joaquin
Austin Chapel, Dekalb
First Baptist MBC, Lone Star

Although there were many obstacles to overcome this year, the dedication of the TMB workers, the staff of Eastside MBC, and the board of Directors have made it possible to continue the work. We still need additional workers that have time and an interest in seeing this great work continue. Some of our faithful workers have recently gone to be with the Lord and they are greatly missed. Please remember their families in prayer. We have other faithful workers that have endured debilitating illnesses that have kept them from being on the field that need continued prayers as well.

Thanks to the many supporters for the abundant offerings that were sent in to replace the TMB truck and Trailer. We were able to purchase a new F350 Diesel Truck and a 2021 Fifth wheel RV in like new condition. Thank you to all who made this possible. What a blessing!

Thank you for your love and continued prayers and support of the Texas Mission Builders Program.

Respectfully submitted,

Mike Pearson, TMB Supervisor
