Specific plans for next year --

We have seen a great deal of growth since our big outreach in July. We are seeing 12-20 each Sunday and new faces regularly. Those that have committed to attending each week are showing all the signs of people who are maturing in their faith. We have also moved into an event center to hold weekly services. We will continue to teach Gods Word each week and encourage a sense of community within the church along with 1 on 1 discipleship opportunities. We will also continue monthly outreach opportunities to demonstrate the love of Christ to a lost and dying world. We hope to see the congregation continue to grow in spirit and number to a point of needing a larger and more centrally located facility.

I am planning to continue to attend MTM continuing Ed as they are offered. I also have plans to attend online and in person counseling education sessions to further develop both grief counseling and marital counseling responsibilities. I am always open to learning new skills and furthering existing ones.

Brother Devine will be encouraged by his pastor and sponsoring church as he labors in the field God has opened for him.
1) Friendship MBC will be responsible for receiving and leading out in offerings for the support of Brother Devine as he labors in Lake Jackson.
2) The load is great - Friendship will be supportive as she encourages other sister churches to assist in this great work for the Lord. Prayerful and financial support for this work will be greatly encouraged and appreciated.

3) Friendship commits to correspond and be totally transparent regarding the work and for all the churches who support will receive reports of the ongoing work.

Support will be used for the following --

This request is $1,000 per month less than last years request due to increased salary support from Coastal Way Baptist Church

Mission/Project financially supports MBA of Texas -- Yes

Specific plans for next year --
1. Continue in gatherings and discipleship of current Coastal Way Baptist Church members and attendees, especially my own family. Weekly corporate gatherings will continue to include Sunday mornings in the facility of the Pregnancy Help Center, and Thursday evening Bible studies in member homes, in addition to other gatherings as planned throughout the year.
2. Continue to leverage community connections through the Pregnancy Help Center, and other opportunities that the Lord provides to invite new families to Coastal Way Baptist Church, and share the message of salvation through the Gospel of Jesus Christ. This objective is personal in my own outreach efforts, but I will also continue to direct Coastal Way Baptist Church to be present in community gatherings, festivals, markets, etc. with outreach efforts.
3. Prepare to host the 2026 IMPACT outreach in Lake Jackson. Approximately 250 young men and women from sister churches in Texas, Oklahoma, Louisiana, Mississippi, Missouri, Tennessee, Arkansas, and New Mexico will come together on June 15-19, 2026 for a large-scale, Gospel-based outreach. This will be first and foremost to advance the Gospel in Lake Jackson, but also to draw people in the community to the gatherings of Coastal Way Baptist Church.

I have been married for 22 years and am blessed with three children and six grandchildren. I have served in Christian ministry for more than 36 years, planting Lifeway Baptist Church 28 years ago, where I currently serve as Teaching and Missions Pastor. I also consult with churches facing revitalization and leadership challenges and teach at Texas Baptist Institute & Seminary.
I hold a Master of Theology, a Master of Theological Studies, and a Master of Divinity, and I am currently completing a PhD in Practical Theology focused on church revitalization. My professional training includes certification as a Church Consultant, Church Revitalization Consultant, Human Behavioral Consultant, and Guide with the Malphurs Group.
I also serve in chaplaincy roles with the National Cancer Society, the International Fellowship of Chaplains, and the Blue Knights Law Enforcement Motorcycle Club. Professionally, I am affiliated with the Association of Practical Theology, the International Academy of Practical Theology, and the International Apologetics Academy.

Working Agreement of church and missionary --
Texas Church Renewal Ministry (TCRM), directed by Glen Moore and sponsored by Lifeway Missionary Baptist Church of Cuero, Texas, exists to assist churches and missions with biblical revitalization, renewal, and healthy growth through assessment, coaching, training, planning, and continued support. TCRM operates under the spiritual, doctrinal, organizational, and financial oversight of Lifeway and its Elder Board while respecting the autonomy and governing authority of every local church it serves. Lifeway administers all ministry funds and financial controls, while the Director is authorized to conduct routine ministry activities within an annually approved ministry plan and budget. This structure provides TCRM with the freedom needed to effectively serve churches while maintaining appropriate accountability, doctrinal integrity, financial stewardship, and long-term ministry continuity.
Lifeway Missionary Baptist Church and Texas Church Renewal Ministry mutually agree to the sponsorship, oversight, and ministry relationship summarized in this document. A complete copy of the Texas Church Renewal Ministry Sponsorship and Ministry Governance Agreement is available and will be provided to the Missionary Baptist Association of Texas or any appropriate requesting party upon request.

I will also continue working directly with churches that request consultation, assessment, and guidance as they address leadership, church health, and revitalization needs.

Plans for Professional development/continuing education --
My professional development and ministry growth in the coming year will include continuing my PhD-level research on church revitalization and building on the practical experience gained from consulting with churches over the past five years. I plan to pursue continuing education and consulting workshops to strengthen my skills in church assessment, leadership, and revitalization. I will also continue teaching at Texas Baptist Institute & Seminary, where I lead the masterâ€™s and doctoral programs in church revitalization. Together, these areas of research, consulting, continuing education, and teaching will help me continue to develop academically and practically as I serve pastors and churches in Texas.
