December was a great end to a blessed 2025 for Coastal Way Baptist Church. We spent the month in preaching and discussion from God's Word on the topic of "Hope Fulfilled" at Christmas. It's always a great season to celebrate the birth of our Lord, and to know that He walked among us. It was also a great month of outreach and growth.

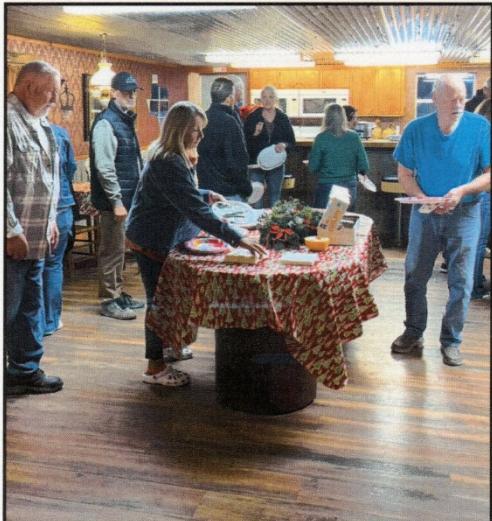

- Following the success of our fall outreach back in November, we did a Christmas Carnival outreach in the parking lot of the Pregnancy Help Center. Over 40 people from the local neighborhood showed up for games, hot chocolate, a picture booth, and other fun. Everyone was given a bag to gather prizes and candy, and every bag had a Gospel tract. It was a great day of meeting new families, and getting to know families that were repeat visitors from our fall carnival. The best part is that there are now 3 new people who have been attending on Sundays since meeting us at the carnival!
- Everyone in our house got a generous break from work and school for the Christmas and New Year holiday. It was nice to spend time together with games, movies, food, and visits with out-of-town family. Our journey in full-time ministry began over 12 years ago, and God has given us a lot of blessings and memories together through a lot of years of adventures and transitions. It means a lot to us to spend the holidays together, and this one was special for all of us.
- We are looking forward to everything that God has in store for 2026. We hope that you're planning on joining us for the Impact outreach in June. Visit impact-missions.org and click on the registration link if you're planning on coming. Space is limited, so get the word out to your church this month to see who's interested.

Missions Report 12/31/25

We had a great time at our Restoration Hill Christmas Banquet. We had about 30 people and enjoyed some great food and conversation.

We had a very successful Angel Tree toy giveaway for 10 kids and then we were asked to help some Veterans disperse toys to needy families in the Kerrville / Ingram area that were affected by the floods. What a great blessing to help local families in need.

Iglesia Batista Bethel came for a visit before Christmas and blessed us with music and the preaching of God's Word by my friend Michael Torress.

Restoration Hill Goals for 2026

- See more people come to know Jesus as Savior and Lord.
- Host our first of many Baptism Sundays.
- Continue 1-on-1 discipleship and develop new opportunities for discipleship.
- Break the 60 people in attendance mark.
- See our congregation take on more service opportunities and outreach opportunities.
- Plan and execute another large multi-day outreach. (Probably July 22-26)
- Take a group to summer camp.
- Overall, see the church grow spiritually and see generational change occur in the name of Jesus.

December 2025

December was an encouraging month for our church family, with many opportunities to serve our community and share the gospel. Here are some highlights from the month:

- We participated in the Christmas Festival the first weekend of December, where we met many people and distributed New Testaments and tracts.
- We were blessed with first-time visitors during our services, and our teens continued faithfully inviting and bringing friends.
- We were especially encouraged by a visit from Bro. David Gonnella and his wife Judith, Bro. Dave was our former pastor who faithfully served here for many years.
- Our Sunday service before Christmas had an attendance of 24, which was a great encouragement.
- We enjoyed a meaningful Christmas Eve candlelight service centered on the birth of Christ.
- We hosted a New Year's Eve game night, providing a relaxed time of fellowship.
- We continued distributing free new jackets to adults in our community, meeting practical needs and showing Christ's love.

We are thankful for the opportunities God has given us and ask for continued prayer as we seek to serve faithfully and share Christ with those around us.

Thank you for praying for us and standing with us in the work!

Texas Church Planting

DEC 31 2025

Lifeline Baptist Church, Venus TX

44 Avg in December

December had Avg of 44:
We praise God for good attendance during the month. We are having great services and God continues to bless.

Two came for Baptism, and two came for membership:

The Lord continues to add to our church and increase our activities. Two young brothers want to be baptized. We will be working with them in Baptism and membership teaching and training. We anticipate more will be coming for membership and baptism. Please pray for them.

Children Sang for Christmas:

Sister Susanne taught the children a new song for Christmas. They sang together for the first time and did a good job with parents watching. We continue to grow in our children's department and Nursery.

Growing Pains:

Lifeline is experiencing growing pains. Praise God! We don't want to be a baby church forever, lol! With this comes a lot of adjustments. Workers will be needed for Jesus. Nursery volunteers are needed. Media and Worship leaders, new instruments will be added. It all takes a lot of work and adjustment.

New building is coming along slowly but surely:

Thanks to the Texas Mission

Builders we are seeing continual development. The metal building is now being connected to the red brick house and it won't be long it will all be dried in. We are so thankful for this great group of men, women, and teens who are working for Jesus and building this place of worship and ministry.

Preparing for Easter Concert and Easter Outreach:

Pray as we make one of our biggest efforts to reach a lot of people this Easter. Please Pray for God's leading in all.

Young Adult Bible Study

After coming to know Jesus as her Savior, Desirae and our son decided to break up. Normally, this would mean the end of any contact we would have with her, but we agreed to meet so that we could give her the Bible that the church had purchased for her. As we sat talking with her at a coffee shop, Amy felt moved to ask her if she would be interested in having a weekly Bible study with us. Desirae said that she would love to have one with us, and we made plans to begin a regular time to continue discipling this young lady. She also had two friends that she was meeting up with there that she introduced us to, Genevieve and Devin, that she said that she would try to bring with her, because in her words, "...they really need it!" Please pray that this Bible study with young college students begins to grow and see salvations.

Wait...another Bible Study

On our first service in January, I asked for prayer for the Bible study with Desirae and her friends. Our oldest son, Ethan, mentioned that he had a couple of friends that had talked about having a Bible study. I told him to find out if they were still interested and to let me know. Later that night when he came home, he told me that they were very interested in having a young men's Bible study. So now, instead of one new Bible study every week, we have progressed to two new Bible studies! Pray for these young men as they seek to follow God's will for their lives.

Vehicles update

This month we received an additional offering for vehicle repairs from South Union Baptist Church (Daingerfield, TX). Thank you for the very generous offering for our van. Also this month, we were finally able to get the last things finished for our ministry van (in El Paso we still have inspections). We are hoping to use it this week in our homeless ministry as well as to use it to go to Juarez. Thank you to all who have helped to make this possible!

FINISHING STRONG!

It is hard to believe that another semester of Raider MBSF has come and gone! Time is flying by! We wanted to finish the semester strong and we did as students gave testimonies and discussed Scripture!

We met only once in the month of December as the students were getting prepared for their finals. The students were ready for a break after a long semester in the classroom. At the same time, they were sad that our first semester of meetings is over. Everyone is ready to get back to meeting in January and we are ready to see our kids again!

The Lord blessed Raider MBSF in the fall semester. We had several first time visitors, 2 new members and an average of 10 students. Unfortunately because of work and class schedules, we had several of our regular attendees not be able to make even one meeting during the semester, but I stayed in contact with them and let them know what we had going on. Our monthly prayer breakfasts and our worship night made it possible for more to get involved that couldn't make it on Monday nights.

The spring semester begins January 15th and there is a welcome back event that we will have a booth set up for with our President and Vice-President working it. Please pray for new contacts and new attendees as we go into the spring semester. Our first meeting will be January 19th, and at that time we will get our final schedule set up for meetings and activities during the spring. We are planning to start our worship nights back at the end of January and our prayer breakfasts back on the first Saturday in February. We are looking forward to another great semester with an amazing group of kids and we are so thankful for all of the prayers and support that we receive all around the state. Please continue to pray that God would continue to bless this vital ministry!

As always, if you have any questions, want to get involved, or would like me to come share the work with your church please contact me at 325-574-4414, or by email at crrobertson2004@gmail.com. Thank you, and God bless.
