## Missions Report 2/28/26

February was another good month for RHC. We have continued to see good spiritual growth from our key members as well as having some new visitors here and there. One thing about hosting the church in the JCRV event center is that we will get random visitors from around the US. We had two extra couples from Minnesota as well as a couple visiting from Arkansas join us for several weeks as they enjoyed the Texas Hill Country. God has truly blessed us with this location.

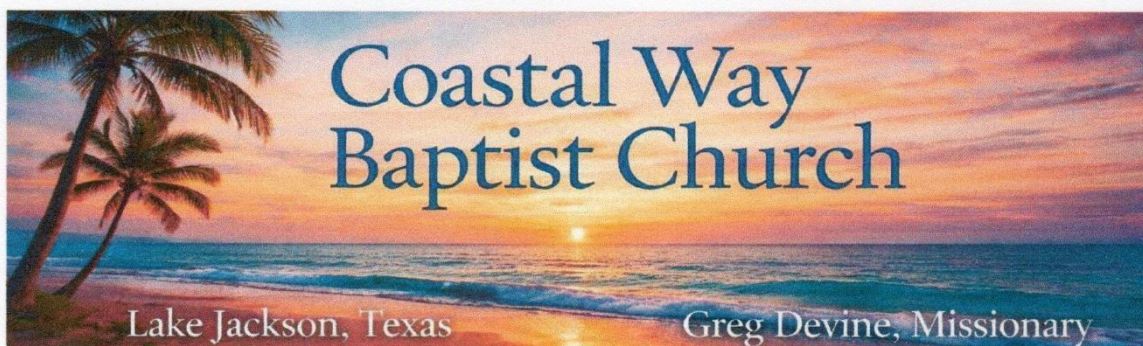

For our February outreach, we put together some Valentines gift baskets filled with useful items, Bible verses, word finds, and candy. Then we took them to Sage Park, a local retirement village. There are about 25 assisted living residents there that we blessed during their lunch time. We handed out baskets and shared the love of Jesus with people who rarely feel love from others. We met some amazing people, had a great time, and were encouraged by the way God can use a small act to bless others and grow our faith. We will definitely be going back to Sage Park in the future.

Since Stan Lewis was getting married just one town over, we were able to have some of our special friends bless us on Sunday morning. The Vesely, Trappe and Meek Families all joined us for Breakfast and Bible study before heading back the Houston area. These are three families that we miss dearly and moments like these are a true gift from our Lord. Thank you, friends. Until next time.

**3 Salvations**

**2 New contacts with unchurched individuals**

**3 First-time visitors**

- God continues to richly bless with outreach opportunities to share the saving message of the Gospel of Jesus Christ. The fields truly are white unto harvest, and I am thankful for all the contacts that He gives me outside of church gatherings.
- My wife Amy, and Coastal Way BC member Laureen Clinton have been leading a children's lesson on Sunday mornings. We are blessed to have children and youth of all ages in attendance, and ladies who are leading them in interactive lessons to learn more about God's word.
- There is still time to sign up to be a part of the Impact youth outreach taking place here in June. The organizers of Impact will need to hear from you soon, so let me know if you need more information.
- Thank you for continuing to partner with us through your prayers and financial support!

## Lifeline Baptist Church, Venus TX

# 8 Join Lifeline in Feb

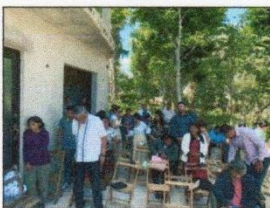

**We Praise God for 8 new members by Statement:** God was good to us by bringing 8 adults along with their children to be members at Lifeline! These folks have been part of my Cleburne Bible Study and have now joined our church. They are a huge blessing to us.

**Macedonian Builders are Coming this week:** The first crew will be lead by Josh Doremus who will be doing the foam insulation. Then the Builders with Paul Lamb will be installing A/C units and electric to the building. The work is going to be really exciting for at least two weeks. Praise God for these men and women that do such amazing work.

**Yucatan Evangelism Conference:** I was privileged to preach

the evangelism conference for our sister churches in Merida/Ticul, Mexico. The brethren paid for all of my expenses and did an excellent job in hosting the conference. A new church was being started for the Mayan people. We saw 6 souls saved during this conference and in the Mayan community. I also want to thank my good friend, Gerardo Carrion, for doing an excellent job interpreting for me.

Above is the beginnings of a new church forming in Yucatan.

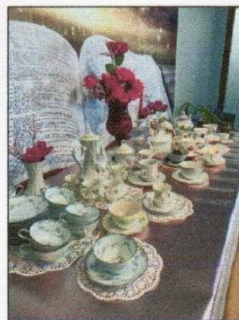

**Men's Breakfast Fellowship:** We had about 21 men in our

recent monthly men's breakfast. We had an excellent speaker named Orlando Cues, from Golden Meadows Baptist Church in Garland, where Bro Jalil is the

pastor, picture below... **Lifeline Ladies had a Great Brunch Fellowship:**

There were 27 ladies present for the British Tea Party event! The ladies dressed up with fancy hats and enjoyed great food and a great lesson from Sis Susanne Moore,

FEBRUARY 2026

## One More Added to MBSF!

The Lord has blessed us tremendously in the first full month of the Spring Semester. We gained another student in the month of February and that makes three new students this semester! Our campus outreach and current members are doing a great job in getting the word out about MBSF and inviting others to come and share in our blessings. Most importantly, the Gospel message is being delivered to a generation that is in desperate need of Christ!

We had our first prayer breakfast of the semester on February 7th, and we combined this with our church breakfast. The students enjoyed getting to meet several members of our church and they enjoyed the fellowship as well. We had seven MBSF students, including one who is unable to make the Monday night meetings due to work this semester. One of the reasons we began the prayer breakfast and the worship night was to include some members who's schedule's won't allow regular attendance and we have certainly seen these efforts pay off. We had our second worship night on the 26th and we had a movie night on the 28th. We are finishing the book of Proverbs on our first meeting in March and then the students want to look into the book of Daniel. I am excited to dive in to Daniel especially given the circumstances our world is facing today. We can see prophesy unfold before our eyes and the students feel the same as I feel as we say "Even so, come Lord Jesus!"

As for our building project, we are sitting at \$230,000 and are still in need of around \$300,000 to be able to complete the building. As always with the prices of things, these numbers can change, but that is where we stand as of now. We are working with our general contractor to be able to get started on the next steps, which is breaking ground! We are so excited about how the Lord has blessed in this area of the ministry and are looking forward to His continued blessings as we push forward. We continue to be so thankful to the MBA of Texas, Texas Ladies Conference, and all of the churches and individuals who are supporting us and we pray for more support to come as the Lord sees fit!

As always, if you have any questions, want to get involved, or would like me to come share the work with your church please contact me at 325-574-4414, or by email at crrobertson2004@gmail.com. Thank you, and God bless.

## February 2026 Mission Report

Starting off the month I had great Bible questions and discussions with my roommates that lasted 5 hours. Prayers that they come to the Lord. I praise God for Pastor Daniel of MBC for allowing me to preach several times this month. I was blessed to have my Dad come and preach for us on a Wednesday service. Also sadly my Grandpa passed away this month and I had to travel to El Paso for the funeral and I really appreciated the love and support from the 2 churches. I had a good visit with my family while I was there.

### Fourth times the charm?

In October of last year, Unity MBC (Borger, TX), donated a van for us to use for our ministry in El Paso and Juarez. We thought that registering it in El Paso would be easy, but that was the last thing that it was. The first time I took the paperwork, I was told that I needed a gift affidavit. This was to verify that it was validly given as a gift from a church. When I went the second time, I ended up going to a different location (and wish I hadn't). After waiting over an hour, it was my turn to go up to the counter. As soon as I go there, I knew it wasn't go to end well. She said that I was going to need another document, AND that when I went next time, they would probably ask for more paperwork (I thought I left Communism in Russia)! Most people believe that the third time is the charm, but the woman at the second time was prophetic, and there was still something else that they needed. When I went the fourth time, I was beginning to wonder if it would ever be possible to get it done. As I approached the counter (with fear and trepidation), the woman was having an issue (surprise!), but thanks to her co-worker and the Lord answering my prayer, I was FINALLY able to register the van.

### Floresville

Bro. Roddy Rogers has been asking me to visit Landmark MBC (Floresville, TX), and this month I was able to take him up on his invitation. While on our way to visit Amy's mother and another one of our supporting churches, we stopped to fellowship with Landmark. We enjoyed the services and fellowship with a couple for lunch. During lunch we found out that Bro. Rogers had not been doing well lately (he recently had Covid). The following week we were told that he has cancer in his liver and brain. Please pray for Bro. Rogers, his family and Landmark during this difficult time.

### Johnny (update)

While we were gone, Johnny (from the Bible Study) has asked about coming to regular service. Please pray with us that Johnny will soon come to know Jesus as his Savior.
