Missions Report 7/31/25

To our Faithful Partners,

A month has now passed since the devastating and deadly flash flood that occurred on July 4th along the Guadalupe River in the Texas Hill Country. Due to that flooding, 135 people left this world and entered into some state of eternity, eternal life or eternal death. There were 106 deaths in Kerr County alone, including 36 children. When I wrote my report last month, I was torn with emotion with what I have been seeing. I wondered what God was doing by allowing this to happen at this time, how He wanted me to respond, and how the outreach that we had planned for months was going to be used to further His Kingdom agenda. Spoiler alert!! I am happy to report that He still doesn't disappoint.

Let me introduce you to A.J. He is 19 and just moved to the area with his family 2 weeks before the flooding. He met some of our outreach volunteers at Wal-Mart on Wednesday before we even officially began. He was interested in coming to church and they brought him with them that first night. He opened his heart to the Gospel on that first night and made a profession of faith in Jesus. I couldn't have asked for a better way to start the outreach. Thank you, Jesus. This picture was taken at random and captured everything in black and white except A.J., who is shown in color. What a cool way to display his new life in Christ. In this photo, I have just informed our group of his decision to follow Jesus, and I am welcoming him into the family of God. A.J. showed up every day during the outreach to help wash cars and share the Gospel in the community. I know God has great things planned for him at Restoration Hill. He has already begun bringing his siblings to church, God has blessed him with a new job to help his family, and he is interested in being disciplined and baptized. Please pray for him and his new walk with Christ.

God continued to amaze us that week by seeing a community that was eager to respond to the outreach. We easily washed over 100 cars at the Totally Free car wash, including about 20 emergency vehicles. We gave out free Bibles, bought groceries for some, handed out gift cards to others, paid for people's laundry, cleaned windshields at different parking lots, ministered to families through families, ministered to young people at the local skate park, handed out over 600 ice cold bottles of water, and in general loved on and prayed with hundreds of people. Not only did the community receive the outreach well, but also those that volunteered were incredibly blessed by it. I wish I had the space here to tell you more.

Please be in prayer for us and the work here in Kerrville. God has blessed us with new people coming on a regular basis since the outreach. Pray that we move forward in His will and His power.

\$80,500 in 2 weeks!

Yes, \$80,500.00 in just two weeks!

This is a huge answer in prayer, GOD IS AMAZING! We received \$30,000.00 from an anonymous person that loves the Lord; \$500 from our sending church, Quaker Ave Baptist in Lubbock; and \$50,000 from Heritage Baptist in Tyler, TX. God has answered our prayer request to payoff the metal building, shipping costs, and enabling us to build the connecting structure between the metal building and our church house. We also have enough funds to get the electric and A/C and heating in the building. Lord willing we hope to be in our new building by Spring of '26. We are paying as we go. We are debt free! Praise God!

Evening Services Restarted:

We had 16 in our evening services last Sunday with 5

first-time visitors.

Introducing New Preacher:

Jacob Talley and his wife Cassidy are members of Lifeline. Jacob loves to preach and has been doing a pretty good job of it. Jacob and Jase (our youth pastor) are preaching every Sunday night.

Weekly Outreach:

Jase, Jacob and myself are going door-to-door most Saturday mornings. It is interesting work. We are meeting many interesting people. Many are not church goers, and some are. Pray for success as we reach out to the unchurched and unreached in our community.

Thursday Night Bible Study:

Please pray for the 12 people that are in this outreach bible study. They are three families living in Cleburne about

45 minutes from the church. We have been doing this for one month and it has been great. Pray they will begin coming to our church.

Robert Baidya Visits Lifeline:

Our Missionary Bro Baidya was with us for 4 days and shared his work with us. He has now received \$6000 for the building of the Dhaka School. Thanks to all who helped us raise that money. We are all very excited about this. What a blessing!

Our Missionary Jonathan Tejada in Vancouver is Excited:

Jonathan has found a church to rent in Surrey (suburb of Vancouver) for \$1200 per month. This will give him lots of room to grow. Praise God for the good work He is doing there. Please help him with ministry support. He is bi-vocational pastor.

David & Alice Smith

Lifeline Ladies Meet for Fellowship:

Alice heads up the Lifeline Ladies every month. They have fellowship and bible teaching. Susanne is their Bible teacher and everyone is blessed. These ladies work hard at so many things in the church. We are blessed to have them. Recently they had a baby shower for Cassidy Talley. (She is the third from left standing up.)

BANGLADESH & VANCOUVER

Robert Baidya faith missionary to Bangladesh. He is a Bengali Canadian. Bro Robert is in need of personal support, for the Dhaka City school, and eco-farm.

On the road
(Deputation)

With our daughter's family moving this month to a military base a few hours from us, we felt that it would be a good time to do some

deputation to raise both prayer and financial support for our ministry here in the Borderland. While we are gone visiting churches, we are thankful that we will have someone that will be here in charge of our services. This is the first opportunity that we have had to do extended deputation since we moved to El Paso. We are looking for appointments in Texas, Arizona, New Mexico, Oklahoma, Colorado, Arkansas, and Louisiana. If you would have us for any service to present the work here in El Paso and Juarez, please contact me at one of the following: (915)-301-3712, themccarverfamily@yahoo.com, or Facebook messenger. We look forward to sharing our ministry and burden for the Borderland with you and your church.

Two homeless men

Recently, we met two homeless men, Mike and Charlie. Of the two, Mike assured us of his salvation and asked us to pray for his back. Being homeless, he walks many miles during the week, and it is very strenuous on his body. The other man, Charlie, is in a much worse situation. While his physical body appears to be fine, he could not give assurance of his eternal destiny. Please pray for Mike's physical ailments and Charlie's salvation!

Visitor from afar

We were extremely grateful to have Bro. Danny Mendoza (Secretary-Treasurer, MBA of Texas) visit us in the past few weeks. Being on the edge of far west Texas, we seldom get visitors and long for the fellowship they bring. If you are ever in the "neighborhood," call us and we will fellowship over some of the best Mexican food in the world!

1304 WILSON ROAD | CONROE, TX | FELLOWSHIPBAPTISTCONROE.COM | JULY 2025 REPORT

Dear Fellow laborers In Christ,

There was a whirlwind of wonderful work in the month of July. Seems there was not a week that did not have a slowdown as summer sizzled along bringing new opportunities along the way. With God in control, we moved forward with many great things He has done with and through us.

The month began with church camp. God blessed us with several from our church going. I was blest to help lead worship and play piano for our week at Pine Springs. I also was asked by Shepherd Drive Baptist Church if I would help with the boys from their church. Bro. Larry Albritton was recovering from heart surgery during this time. This was a great blessing because I got to see these young men's enthusiasm grow throughout the week in their passion for God. I was able to also lead several of them to the Lord during that week at camp.

There wasn't much time after camp until TMB (Texas Mission Builders) came and camped out at our church to do some much needed work here. They helped by laying new

laminated in our fellowship hall and a classroom, a new vanity for the men's restroom, a new enclosure for our electrical equipment, and replace lighting throughout our building where needed. We

had great food provided by our ladies and fellowship as Mike Pearson and his team came and gave us their all for two weeks here at Fellowship.

During the two weeks of TMB working here at Fellowship, I was able to go and help out along with many other churches at Restoration Hill in Kerrville, Texas as they had prepared for witnessing to their community even

before the devastation that hit there during our week at camp. What an outpouring of love and support we felt from the community as we shared the Lord and the work there. Through free washes of cars, the word, bottled water, we were able to share the love of Christ to the community. Let us continue to pray for the work there, brother and sister Haneline, and the community still recovering from their loss.

My wife attended her last District Ladies Meeting in Texas City as the President. She was faithful in her term to see that several other church stepped up to host these meetings. She led in giving her addresses in both English and Spanish. She was able to raise awareness of mission projects and needs that are specific to our churches in South Texas. She now has taken on the role of Promotions Director for the district.

Many of you knew Bro. Horace Deaton and that he has gone on to be with the Lord. We are blest to have his wife Sandra in our church. She has helped me build a new ministry at her senior living center here in Conroe. Many of her neighbors have been visiting our church and we have enjoyed having them.

Continue you to pray for our church in "Witnessing" to our community, "Worshipping" of our Christ, & "Working" out the great commission in discipling people to reproduce fruit of the Father!

Coastal Way Baptist Church was blessed to take 13 kids and teens to Pine Springs Baptist Camp in July. Five of those teens do not attend Coastal Way. Even though they are not a part of our regular gathering, we are glad for the opportunity to give anyone a week of exposure to

the Biblical preaching and teaching that take place at camp. As far as we knew, all of these five had made professions of faith in their previous church experiences. Church camp immerses everyone attending in God's Word with 2 devotions, 2 full messages, and a Bible class every day. This much exposure to God's Word every day really opens the door to see God fulfill His promise in Isaiah 55:11—*So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.*

- I officiated a wedding for a couple who had previously divorced years ago, but had decided to fully reconcile. This wedding was a beautiful reminder of the grace, reconciliation, forgiveness, and new beginnings that we have in Christ. This couple does not currently attend a church, but this wedding opened the door for me to have pre-marital counseling with them and discuss their relationships with God. They are already close to another family in our church, so we are praying even more that they will start attending our gatherings.
- I had a meaningful conversation with a teller while I was at my bank. She is a believer, but not a part of a church. We had a really good spiritual conversation, and I invited her to visit us on a Sunday.
- At the beginning of the month, we had a gathering at our house to celebrate the Fourth of July. I'm thankful that our church enjoys spending time together in worship, Bible study, and fellowship.

LAST MONTH BEFORE

FALL KICKOFF!

We have made it to through the summer and are ready for the fall semester to begin! We all enjoyed a little bit of a break, but Holli and I are ready to see our kids again!

We did have three meetings this summer with some of the students who stayed in Lubbock. We averaged five students for these meetings and it was great to get to fellowship with them and get to see them.

My family and I were blessed to be with Brother Daniel Moore and his family at Creekmont Baptist Church in La Porte, TX (near Houston) on July 13th. We were able to enjoy great fellowship with old friends and also meet new ones. I was able to present the MBSF work and bring the morning message.

As I stated to Creekmont Baptist, one of the biggest projects we have going is our MBSF building. We currently have around \$210,000 raised and have blueprints ready. We are almost ready to break ground, and we are excited about that and the kids are as well.

We have some new things that we are planning for the fall semester, one of which is a student spotlight that we will send out with the monthly reports and also make available on our Raider MBSF Facebook page. If you do not currently follow our page on Facebook, I would encourage you to do so. This will give people the opportunity to see a face to pray for, and we are excited about it.

Please continue to pray for our group especially as students make their way back to Lubbock for the fall semester. We already have two booth opportunities booked, and I would ask that you would pray for a successful harvest concerning these.

We are so grateful to the MBA of Texas and all of the churches that support us and pray for us regularly. It means so much to the kids to know that they are supported.

If you would like more information or like me to come present the work, or if you would like to attend one of our meetings, please contact me at 325-574-4414 or email crrobertson2004@gmail.com. Thank you and God bless.

June 2025 Report

June began with the blessing of preaching the Homecoming Revival in San Saba. It was a joy to be there, to open God's Word, and to spend time with faithful folks who have a heart for the Lord.

Back at home, our building project continued to move forward. The plumbing was hooked up, and the contractors began repairing sheetrock and converting a small storage room into a second bathroom. Light fixtures are being reinstalled, and it's encouraging to see real progress being made. We're looking forward to having the space ready to use soon.

Later in the month, we said goodbye to Collin, a young man who had been faithfully attending for the past several months. His job here came to an end, and he moved to Abilene. We were thankful for the time the Lord allowed him to be with us. After his last Wednesday night service, we joked that when one leaves, we pray the Lord might send two in return. Just a few days later, the following Sunday morning, a family of seven walked through the door.

This family had attended Landmark nearly ten years ago before moving out of town. They just returned to Rockdale last week and chose to visit with us again. We're praying the Lord will lead them to make Landmark their church home once more.

Our 5th Sunday service that morning was a joy, with 21 in attendance and several families sharing songs to praise the Lord. It was a sweet spirit and a full house.

We are looking forward to the upcoming months. In August we will be celebrating the Church's 48th Anniversary. We're planning to do a BBQ on Aug 2nd at 4pm at the church and invite the community out. We would love for anyone that would like to make the trip to Rockdale to come out and join us! It sounds like a long time from now but it will be here soon, we will have our Revival services October 6-8th. We will send out more information as we get closer.

Thank you for your continued prayers and support.
