**2 Salvations**

**8 First-time visitors**

- Our church family is growing in so many ways! Two of the people that we baptized back in April are a young couple, and she gave birth to their 2<sup>nd</sup> daughter during the month of May. Also, this same couple has friends who have been looking for a church home, and that led to us having the 8 first-time visitors mentioned above. Our established members and attendees have given a warm and loving welcome to the newcomers, and everyone is already bonding like a church family that has been together for much longer.
- God continues to bless Amy and me in our involvement in local ministries. Of the 2 salvations mentioned above, one was at the Pregnancy Help Center, and the other was a truck driver at the Texas Port Ministry. In addition to the salvations, there were many other conversations, prayers, and encouraging words for the individuals that we encountered.
- As we wrap up May, we are looking forward to everything that God has in store for June. The youth and sponsors of the IMPACT (I Must Personally Advance Christ Today) ministry will be arriving on June 15. Please pray for this experience as they reach out to the Lake Jackson community. First and foremost, they will be representing Jesus through love and the Gospel. Secondly, they will be telling people about Coastal Way Baptist Church. Pray also for their safe travel, and for the spiritual impact on the workers themselves that they can carry back to their homes. This will be the 4<sup>th</sup> IMPACT that my family and I will take part in, and it has been a significant blessing to us.

# Plumbers Finishing

**Gas and Water Plumbers Almost Finished:**

The plumbers are doing their last finishing touches and we will be ready for the dry-wallers. Please pray for us to be able to keep paying as we go. Your offerings are very important. Thank You!

**Chairs Delivered:**

Jase Fuller and Joel Hernandez flew to El Paso to pick up 50 chairs and then drove their Budget Rental Truck to Snyder to pick up 35 more chairs. It was a long day driving across Texas. Thanks to all who made it possible to get these chairs. Praise God! Two churches each gave us \$2000 for chairs!

**Lifeline ladies:** Our ladies have great fellowship and have

great bible lessons each month. They have raised enough funds to send two campers to Camp in Pine Spring this month.

**Mexican Birthday Fellowship:**

We have a bilingual church and celebrating

a birthday is always great fun and food. We are so thankful as to how the Lord is blend-

ing our cultures together.

We enjoyed our fellowship afterwards with a Pinata outside for the children. The parents and the children love it.

### Missions Report /31/26

May was a great month of continued blessings. God has been using this church to reach families and equip the saints. We have been blessed to see these amazing people growing in their faith and stepping into serving.

Each quarter of the year, we plan a community building event that brings us together outside of church to enjoy some food and fellowship. Community is an important part of the success of a church. God has called us to be in fellowship with Him and each other. When churches or individuals fail to step into fellowship with each other, they become distant and disconnected. That wasn't God's plan.

This quarter's gathering was a luau down at the creek. We had some amazing food, socialized for over 3 hours, and enjoyed some swimming. We love our church family that God is building.

## May 2026

May was a month filled with blessings and encouragement at our church. We are thankful for the many ways we have seen the Lord at work among our people.

One of the greatest joys of the month was seeing two young people follow the Lord in believer's baptism. We thank God for their testimonies and pray for their continued growth in Christ.

We also had the privilege of celebrating three graduates this year. Two are our own children, and we are grateful for the Lord's faithfulness in their lives as they reach this important milestone.

The Lord also blessed us with three first-time visitors during the month, and we are always thankful for opportunities to welcome new faces into our services.

As a church family, we collected baby items to donate to our local pregnancy center. We are thankful for the opportunity to support mothers and families in our community through this ministry.

The Lord continues to bless our youth group as well. We are encouraged by their eagerness to learn, serve, and grow in their walk with Christ.

We are excited about what the Lord is doing at Landmark and look forward to what He has in store in the days ahead.

Thank you for your continued prayers and support.

# RAIDER MBSF

Texas Tech MBSF Newsletter

May 2026

## RAIDER MBSF NEWS

May is usually a quick month because we normally only have 1 meeting. We did not get to where the students wanted to in our Bible Study so we added 3 more meetings. The students wanted to finish 1, 2, 3 John before break. So to get this done we had to add additional meetings. On May 4, 2026 we had Bro Danny Mendoza come to our meeting and speak to the students.

At the beginning of the semester the graduating students asked if we presented cords for students to wear at graduation. We have not done this in the past, but they asked if we would consider this. So with the help of the students we chose colors for the cords. On May 10, 2026, Quaker Ave Baptist Church presented the graduates a cord in our first ever cord ceremony. We plan to continue this tradition in the future. We had 5 graduates with 4 in attendance for the ceremony. We attended 3 different graduations to show support to those graduating.

For the coming year, 2026-27, we selected 3 new officers, pictured above. Rylyn Moyers was elected president, Addison Brady was elected vice-president, and Angie Sessa was elected secretary. We are excited to be working with these students. They have already suggested many new outreach ideas to reach people on the Texas Tech campus. In the picture above we have our seniors and our officers.

On May 30, 2026, I was able to attend and preach at the Misison Rally for the Southwest Association at Unity MBC at Borger, TX. On May 31, 2026, I preached at Unity MBC and presented the MBSF work.

We are currently sitting at \$230,000 in our building fund. Please be in prayer with us as we continue to raise money for this project. If you feel led to help with this please contact myself or Bro. Monty Hilliard at QABC.

As always, let me know if you have any questions, and if you would like me to come and share the work with your church. You can contact me at 325-574-4414, email at crobertson2004@gmail.com, or you can contact Brother Monty as well. Thank you again for the prayers and support.

*PLEASE NOTE: There will no longer be reports from Borderland BC in El Paso, nor from Shiloh MBC of San Antonio. Their sending church, Northside BC of Snyder, has voted to close those works due to circumstances affecting the works. Monthly support will no longer be sent from the MBA of Texas. Both Missionaries are in good standing with the MBA of Texas.*
