2025 Texas State Missions Report

To the churches of the M.B.A. of Texas,

The 2024-2025 Associational year has been full of exciting events and heart-breaking loss in our great State. We have seen some answered prayer and recognize needs yet to be met in the area of church planting and mission efforts in Texas.

I am so pleased to report some wonderful successes to you. Bro. Aaron Bryan led Fellowship BC of Conroe to organize the work and stand as a self-supporting church in November! This is such an exciting thing in light of the disheartening news that multiple churches have closed their doors. Fellowship's organization service and Bro. Bryan's faithful leadership for the church and in his local association stands in stark contrast to churches floundering without any pastoral leadership to fill their pulpits!

I am also pleased to report that Bro. David Smith, of Lifeline BC, Venus, Texas, has seen some wonderful numbers in attendance and growth (78 in a recent 'Back To Church Sunday' event) and Texas Mission Builders are currently at the church property constructing a new building! The church body is maturing and taking a bigger responsibility for Bro. David's salary and asking less from the MBAT!

We witnessed a great tragedy in July as the state experienced severe flooding and Kerrville, Texas, where Missionary Todd Haneline works saw much loss. Bro. Todd decided that an outreach event in Kerrville should go on as planned to minister to the local folks and sister churches came down and loved on the people of Kerrville! The result of this outreach is that the community knows Restoration Hill church so much better and Bro. Todd has 20+ folks coming to Sunday Bible study!

There are many more highlights I could mention, but the truth is that we need More church plants in this vast state! Pray with me that we would be mission-minded and focused on more churches planted in Texas!

Respectfully submitted

Dan Mendoza-Secretary/Treasurer

The month of Thanksgiving included a lot of reasons for us to be thankful. November was rich with the blessings of our family, our church, and the fellowship that we share with other churches in our associated work. This month was especially rich in that fellowship with other churches.

- We traveled with the whole family to visit Union Missionary Baptist Church in Newton. This amazing church has already been generously supporting us for many months now, so I can't say enough about how good it was to meet and worship with them in person.
- I attended the organization service of Fellowship Baptist Church in Conroe. In a time when so many churches have closed, their step of faith is an encouragement to all of us. I am so thankful that I could be there to share in this celebration.
- Finally, and definitely not least, I attended the Missionary Baptist Association of Texas meeting in Garland. I am thankful for another year of support, the leadership of Secretary/Treasurer Danny Mendoza, and the fellowship of many familiar and encouraging co-laborers in Christ.
- Please pray for the member families of Coastal Way Baptist Church as many of them struggle with illness, surgery recovery, job uncertainties, and family dynamics. All of our members have big hearts for the Gospel ministry that's needed in our corner of Texas, but also really struggle sometimes to keep going in the midst of their own challenges. I believe that true faith is seen not in those who have an easy path, but in those that the Lord lifts up as a testimony of His strength in the face of many difficulties. I believe that they will continue to do great things for the Lord. Thank you for your prayers for them.
- Registration for the Impact outreach coming up in June will be open soon. Space will be limited, so let me know soon if you are interested in bringing a group.

Praising God this month had the opportunity to invite my neighbor Juan to church and he's come to several Sunday evening and Wednesday services. Prayers for his salvation and joining the church. Also a soldier named Preston, finished bootcamp and is stationed at Lackland AFB. He was recommended to come to Shiloh from friends in California of my parents, and came and visited with us. So prayers, we will be his church home while he's stationed here. I also got to travel and attend the Texas MBA state meeting this year. Was honored to be voted in as a state missionary. Closing the month has a blessed thanksgiving with my family. I'm thankful for all God has blessed us with this month and looking forward to what he has in store.

48 First Sun in Dec

Our First Sun in Dec=48

After a very low Thanksgiving attendance we rejoice that 48 showed up on the first Sunday of December. Also—2 came for baptism and 1 joined the church!

Praise God for TMB-Texas Mission Builders

The TMB Team are now building the connection between the Metal Building and the Church House. It's coming along beautifully. They are a huge blessing! The Mission builders will be back in the middle of December and then again in January to hopefully finish up the work.

Lighting up the Church Building:

Our church got busy and began lighting up the building for Christmas. We are on a popular hwy and everyone is seeing the lights. We have

a beautiful building in a great location. We praise God that Lifeline Baptist Church is debt-free and experiencing many blessings from God. We have great people and a great God! Pray for us that we might reach many people with the Gospel. Hundreds of cars pass our location every day. We are getting their attention.

Children's Class:

Alice and her helper, Anita,

have a growing class of children. They are representative of the young families that are coming to our church. They will also help us reach other families in our surrounding areas. Lifeline is reaching people from many other towns all around us. Our community is growing with many new homes and developments. We are at the right place at the right time. Praise God!

David & Alice Smith

Lifeline Ladies Meet for Fellowship:

Alice heads up the Lifeline Ladies every month. They have fellowship and bible teaching. Susanne is their Bible teacher and everyone is blessed. These ladies work hard at so many things in the church. We are blessed to have them.

Recently the Ladies had a baby shower for one of the ladies attending our church. She is Dani, the wife of our Keyboardist, Joel. They are fantastic people and we thank God for them.

BANGLADESH & VANCOUVER

THANKING GOD FOR HIS BLESSINGS!

November was a good month and a very busy month as well for Raider MBSF. We had a good month continuing in our study through the book of Proverbs and have made it to chapter twenty-eight. I enjoy the discussions that we have each and every week and students who have rarely ever participated in the discussions are starting to open up. I am extremely grateful for the group of kids that we have. They have become a part of our extended family!

This month was rough on me physically as I got pneumonia and was down for a little while, but the MBSF kids stepped up and picked the kids up from school, picked Michael up from basketball practice, and two of the kids went to eat at school with Zachary for the Thanksgiving meal. It is comforting to know that our kids are so well taken care of. We also took a short trip to look at Christmas lights around Lubbock and had 10 students for that. Fortunately I am feeling better now and ready to get going for the spring semester. Monday night, December 1st will be our last meeting for the fall semester and then we will begin back up in January.

Unfortunately since I had pneumonia, I was unable to attend the state meeting as I had planned on doing. Brother Monty was able to fill in for me and receive a check for \$10,789 from the Women's Conference of the MBA of Texas for our MBSF center. Thank you ladies so much for making Raider MBSF your mission project for 2025. I would also like to thank the messengers of the MBA of Texas for once again approving me as a state missionary. These are just two more ways in which God has richly blessed Raider MBSF.

With the offering from the Ladies Conference, that puts us around \$236,000 for our MBSF center. It has been estimated that we will likely need around \$50,000 more to be able to have the building up and running. Please be in prayer about this and also please consider coming on as a monthly partner with us to help with some of the expenses that we have and be part of what God is doing for Raider MBSF.

As always, if you have any questions, want to get involved, or would like me to come share the work with your church please contact me at 325-574-4414, or by email at crobertson2004@gmail.com. Thank you, and God bless.

Thanksgiving Joy

As I mentioned in our last report, our youngest son's girlfriend wasn't able to give assurance of her salvation. We have been praying for her to come to know Jesus as her Savior (and asking others to pray to this desired end). We enjoyed having several people (including Desirae) to join us for our Thanksgiving meal. Our tradition is to go around asking each individual what they are thankful for this past year. Everyone participated and thanked God for the things that had been blessings. We ended with a prayer from Joshua Piña. Afterwards we enjoyed more time of fellowship (and pie), but later on, as the evening started to wind down, Desirae and my dad were talking. He asked her if she wanted to know if she would go to Heaven, and she said yes. Unfortunately, my dad is hard of hearing and missed it, but Amy heard her. When they finished their conversation, Amy asked if she had heard her correctly and Desirae said yes that she did want to know. The next several minutes we talked (and prayed) with her until the moment that she asked forgiveness and accepted Jesus as her personal Savior! Praise God for this Thanksgiving Joy!

Special Prayer Request Update

When I sent out our report last month, I also included a special prayer request about our vehicle. Our van broke down as we were preparing to go to state meetings in Louisiana and Texas. We were originally quoted around \$2,500 for the repairs. I mentioned this in the email that I sent out with our report. Unfortunately, the total came to just over \$3,300. Since last month, we have been blessed by 3 churches (Ridgecrest MBC Levelland, TX; MBC of San Antonio; and First MBC Coquille, OR) and two individuals, who have sent offerings totaling \$950. Thank you so much for your generosity in this matter. If we are able to pay the remaining \$2,300 before March 2nd, we won't have to pay any extra for interest charges. Please pray for us in this.

Missions Report 11/30/25

It was an honor to make the trip to Conroe to celebrate the organization of Fellowship of Conroe. We are excited to see what God is doing in Conroe, TX.

Speaking for RH at the MBA of Texas state meeting in Garland, TX.

After returning from the state meeting, we blessed 8 families with a full Thanksgiving dinner for 10. Four of the families were people that I had already been talking to, while four families were people in need that we surprised in Walmart. When asked why we would do this, we would simply reply, "We just want to show you the love of Jesus in a practical way".

On the last day of the month, we were blessed to be able to break our attendance record with 30.

This was our second time celebrating Thanksgiving while on the field. However, it was our first time to get an invite to enjoy this annual meal with one of our church families. It was an incredible experience, and we enjoyed getting to know their extended family.
