

MBA of Texas 2025 October Mission Reports

The Secretary / Treasurer of Missions for the MBA of Texas is
Bro. Daniel (Danny) Mendoza. His cell phone number is: (281)-948-5915.

MBA of Texas, PO Box 2318, Dayton, TX. 77535.

Please DO NOT put a person's name on the check but endorse it to: "MBA of Texas".

October Deposits: \$20,606.98. September Expenditures: \$18,084.61.

Current Acct. Balance: \$329,045.38 (of which \$2,307.29 is Minute Fund Designated)

Please make plans to regularly support the associated works of the MBA of Texas.

2025 Texas State Missions Report

To the churches of the M.B.A. of Texas,

The 2024-2025 Associational year has been full of exciting events and heart-breaking loss in our great State. We have seen some answered prayer and recognize needs yet to be met in the area of church planting and mission efforts in Texas.

I am so pleased to report some wonderful successes to you. Bro. Aaron Bryan will lead Fellowship BC of Conroe to organize the work and stand as a self-supporting church in November! This is such an exciting thing in light of the disheartening news that multiple churches have closed their doors. Fellowship's organization service and Bro. Bryan's faithful leadership for the church and in his local association stands in stark contrast to churches floundering without any pastoral leadership to fill their pulpits!

I am also pleased to report that Bro. David Smith, of Lifeline BC, Venus, Texas, has seen some wonderful numbers in attendance and growth (78 in a recent 'Back To Church Sunday' event) and Texas Mission Builders are currently at the church property constructing a new building! The church body is maturing and taking a bigger responsibility for Bro. David's salary and asking less from the MBAT!

Bro. Greg Devine's church family at Coastal Way BC in Lake Jackson, Texas are also taking on a bigger part of their pastor's salary and Coastal Way is asking for \$1,000 less support from the MBAT! The Devines are finding unique and authentic ways to invest themselves in the Lake Jackson community. They, and their children are heavily involved in the homeschool groups of their area. Also, Greg and Amy have had life-changing impacts on people's lives through their amazing work with the local Crisis Pregnancy Center where a simple sonogram shows that the 'blob' inside the girl, is really a living person, and then the couples hear about new life in Jesus and many times make decisions for Christ right there in the exam room!

We witnessed a great tragedy in July as the state experienced severe flooding and Kerrville, Texas, where Missionary Todd Haneline works saw much loss. Bro. Todd decided that an outreach event in Kerrville should go on as planned to minister to the local folks and sister churches came down and loved on the people of Kerrville! The result of this outreach is that the community knows Restoration Hill church so much better and Bro. Todd has 20+ folks coming to Sunday Bible study!

Bro. Chris Robertson is making strides with the Raider MBSF of Texas Tech Campus as he and his family impact young adults through the ministry. Quaker Avenue MBC of Lubbock, and Pastor Monty J. Hilliard

are pressing forward with plans to build an MBSF facility ON the church property and really invest in this exciting ministry!

There are many more highlights I could mention, but the truth is that we need More church plants in this vast state! Pray with me that we would be mission-minded and focused on more churches planted in Texas!

Respectfully submitted

Dan Mendoza-Secretary/Treasurer

I love our local, state, and national association of churches. In October, I attended the messenger meeting of the South Texas Missionary Baptist Association at Twinland MBC in Houston. This was an encouraging gathering to rejoice in the work of the Gospel being done throughout the Houston metro area, as well as sharing the burden that there is so much more to be done as the population booms by millions of people. Coming up in November is the meeting of the Missionary Baptist Association of Texas. I am looking forward to sharing in the same rejoicing and hope at the statewide level as we just did for the Houston area. We also enjoy strong connections with churches outside of Texas through monthly support, and anticipation of the Impact outreach coming to Lake Jackson in June. I am grateful for the relationships, encouragement, and support of all of you who have been such a blessing to me, my family, and this young church.

- God continues to bless my involvement in the Pregnancy Help Center with the opportunities to lead young men in a Biblical foundation for marriage and family. Also this month, I had the opportunity to lead one of these young men to accept Christ as Savior! Amy also has many opportunities for ministry to young moms as some of them struggle with the challenges of motherhood in otherwise difficult circumstances.
- In October, we celebrated 3 years of meeting for Sunday morning worship in the building of the Pregnancy Help Center. We are grateful to them for keeping their doors open to us for our needs, and look forward to seeing how God continues to work as we meet here. In addition to Sunday worship, they also allowed us to use the parking lot for a fall festival and trunk or treat. This building is surrounded by multiple apartment complexes, and we had several families walk over to take part in our festival. We are hoping to continue to make connections with this neighborhood, and to know how we can most effectively minister, and share the Gospel with them.
- Finally, but definitely not least, I am grateful for the membership of Coastal Way Baptist Church as they continue to faithfully gather, worship, and serve the Lord through this church. God has brought us the right people at the right time, and we are looking forward to seeing how He continues to use them in the months to follow.

October 2025 Report

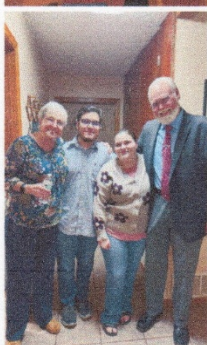

October was a full and encouraging month. We held our Revival services and had a wonderful time of fellowship. Our guest preacher did a great job, and it was good to see everyone come together and be strengthened through the preaching. Attendance has stayed steady, and the services have been good.

We've also been planning some outreach for the upcoming "Winter Wonderland" community event in December. It's a great opportunity to connect with our neighbors in our town, and we're looking forward to being part of it. In addition, we've been using our local ministry funds to purchase coats for adults in need this winter. It's been a blessing to be able to help in a practical way.

On a more personal note, our daughter turned 20 this month, and our son started his first job. It's been exciting to see both of them growing and moving into new seasons of life.

We're also looking forward to the Annual Meeting in November and seeing many of your faces there. Thank you for your continued prayers and support as we serve the Lord here.

Texas Church Planting

OCT 29 2025

Lifeline Baptist Church, Venus TX

Building Going Up-Up

Texas Mission Builders are putting it together! Praise God for the great teamwork of TMB we are seeing our building coming up before our very eyes!

Ladies. We have a devotional immediately after and while the sun begins to peak

over the horizon they are out there putting it together. There are about 12 men and women and young people working steadily till noon. Then lunch is served and then back to work they go. Bro Mike Pearson and the team are amazing.

We still have several weeks of work to do. Please pray for this team and their safety as they work. Praise God!

One Joined Lifeline By Statement:

Laura Pope became a member last Sunday. We have known Laura for a number of years and decided to join with Lifeline. She is a sweet lady who has recently won her battle over cancer, thanks to the Lord who is our healer and the prayers of many.

Cleburn Bible Study:

Our Bible study attendance is regularly around 12-14. It

is a bi-lingual group that is really excited about the Word of God. They have begun attending our Sunday morning service and drive about 35-40 minutes to get to our location. Recently an additional family of 4 attended because of their invitation. It is amazing to see what God is doing in the lives of these great folks.

Chaplain Work in Burleson:

Due to my Chaplaincy work in Cleburn we were able to make contact with many. We have had numerous guests at Lifeline from the plant there. God has really opened up a door for ministry at the plant. Thank God for the owners of the plant that are believers who opened the door two years ago for me to be their chaplain. Many more are possible prospects for our work in Venus.

David & Alice Smith

Lifeline Ladies Meet for Fellowship:

Alice heads up the Lifeline Ladies every month. They have fellowship and bible teaching. Susanne is their Bible teacher and everyone is blessed. These ladies work hard at so many things in the church. We are blessed to have them.

Recently the Ladies had a baby shower for one of the ladies attending our church. She is Dani, the wife of our Keyboardist, Joel. They are fantastic people and we thank God for them.

BANGLADESH & VANCOUVER

Robert Baidya faith missionary to Bangladesh. He is a Bengali Canadian.

Bro Robert is in need of personal support, for the Dhaka City school, and eco-farm.

Waylaid at Walmart

After another shopping day at Walmart, as we were leaving, we stopped by the McDonald's in the store. After ordering my food at the kiosk, it asked me to get a number tent for my order. While I went to retrieve it (turns out the tent wasn't needed), Amy held my place at the kiosk. An 80 year old man came up to ask her if she was butting in line. As she explained that she was holding it for me, he apologized, but quickly turned the discussion to politics. Amy skillfully steered it to not get bogged down. He asked her what she thought about immigration to which she was able to say she was in favor of LEGAL immigration. When she gave him the respect of listening and acknowledging his people (he was Apache), he listened when she was able to talk to him about Jesus. While he didn't accept salvation, he did say that his wife was a Christian. Amy was able to plant a seed that we pray will take root! People do not care how much you know, until they know how much you care!

Desirae

Desirae is our youngest son's girlfriend, and is 19 years old. She comes from a moderately Catholic background, but told us that she was looking for a Christian church (even before she knew that I was a pastor). When asked about her relationship with Christ, she was unable to assure us of her salvation. Desirae is a vibrant college student at UTEP, who has said that she enjoys our services because she can understand what is being taught, as she could never understand all that the priest was saying at her Catholic church. She has been attending quite often and appears to listen intently during the sermon. Pray with us as God continues to work in this young woman's life that she will come to truly know Christ as her Savior soon!

In His Service,
Glenn McCarver

October 2025

SPIRITUAL GROWTH TAKING PLACE!

October was a month where we could really see the impact that College ministries like MBSF can have. We have several students that have had a tough semester, but have said that MBSF being there for them, along with their faith in God has helped them to turn a corner. To me, that is so uplifting when I hear students say that MBSF has helped them.

We had a month full of activities for the kids. We had our October prayer breakfast and worship night and we could definitely tell that the Lord is at work in these kids lives and that spiritual growth is taking place. During our worship night, I asked the students if they would like to give their favorite Bible verse and explain why it was. We have a few students who are very shy, but EVERY STUDENT got up and gave a testimony and shared their verse. MBSF has helped these students in their spiritual growth. We also took a trip to a corn maze just outside of Lubbock. We took pictures but they didn't turn out very well so they aren't included in this report. We also have our church fall festival on October 31st and several MBSF kids volunteered to help out.

I would also like to take this opportunity to thank two churches in particular for helping out during the month of October. Brother Jerry and Sister Joanna Bailey from Brook Besor BC in Andrews provided a wonderful spaghetti meal one Monday night and Ridgecrest MBC in Leveland made up snack bags for the students. We are so thankful for these churches and all churches and individuals who help us out.

As far as our MBSF building goes, we are at \$225,000 and things will be getting underway hopefully in the near future as soon as the city approves. We are so thankful for each and everyone that has helped in this ministry outreach. One thing that I would ask you to prayerfully consider would be monthly support. With more students getting involved and the cost of everything going up, it certainly has an impact on the ministry. We not only feed the students, but we have items that we have to have made to give out at the events we are involved with on campus. These things add up so I would ask that you prayerfully consider that.

As always, if you have any questions, want to get involved, or would like me to come share the work with your church please contact me at 325-574-4414, or by email at c robertson2004@gmail.com. Thank you, and God bless.

Chris Robertson

Missions Report 10/31/25

To our Faithful Partners,

October was a great month at Restoration Hill. God continues to bless us with some numerical growth, but most importantly tremendous spiritual growth. It has been my experience that a congregation's spiritual growth must outpace its numerical growth, or it will be unstable. Spiritually mature church members will always be more likely to survive the trials of individual life and the growing pains of a church. They are also a pastor's best advocate for seeing new people show up for Bible studies and church events.

On the last Sunday of the month, we wrapped up our twelve-week study on "The Sermon on the Mount". I can't begin to tell you how much the entire congregation, including myself, got out of this study. With that, one man came forward and confirmed that he had given his heart to Jesus many years ago but never his life and now wanted to see Jesus be Lord in his life. After the service ended, his wife came to me and said that she had been feeling the same things and also wanted to make this new commitment to follow Jesus daily and support her husband as he leads their family. This is one of those moments that a pastor lives for. To see people's lives being changed by the Gospel and them taking bold steps to living their lives for Christ and leading their families into generational change.

The work that the Holy Spirit has been doing didn't stop there. I had at least three good conversations after service with people describing how God has been working on their hearts. As a pastor, you can often see it long before people are willing to verbalize it. Not that a pastor has some special skill. It's really a simple matter of geography. When you stand in front of a group of people for any reason you can see who is engaged and who is not. I have been watching these people be absolutely dialed in for weeks. A sure sign of what God was doing in their hearts. I am humbled that God has chosen to use me.

Please continue to pray for us here in the Texas Hill Country as we move into our new study in the Book of James. Pray that hearts would continue to be open to the Holy Spirit and pray for those who have taken critical steps towards living a life for Christ. We have a real enemy, and he does not like it when people step into serving God. Trials will come and we must be ready.

Faithfully Submitted,

Todd Haneline
