RAIDER MBSF NEWS

September was a month of ups and downs for MBSF, but God blessed us as He always does. To begin the month, some of our students caught some kind of bug that was going around on campus, and then some of our students were in an accident, but praise God everyone was alright. We also had one of our students have to leave and go back home for good because of a family emergency. It was also a difficult month for me and my family personally as we dealt with illness and an accident as well, but again, praise God, everyone is doing fine. These things were hits for sure, but we thank God for allowing us build our faith through these things.

Because of this, our attendance suffered some, but we still had enough students to meet, eat, and most importantly, have great Bible discussion. Several students said that this was the best month in terms of discussion. We are continuing our series on the ABA Doctrinal Statements and the kids are really enjoying it. I send out discussion questions usually the Friday or Saturday before our meetings and the kids are always well prepared with thoughtful answers that show that they have studied and prayed about the lesson.

We have some activities scheduled for October that we are excited about. We are taking the kids to a corn maize like we have the other two years that I have been Director. They really seem to enjoy it and it's a time for everyone to have fun. We are in the process of getting approved for a prayer table that we are going to set up on campus. Our goal is October 23rd from 1-3 PM but as I said, we are in the process of getting all of that approved. Please be in prayer about this important outreach. Our church is also having a fall festival and we usually have some of the MBSF group volunteer to help with that and some have already asked about this year's festival. Even though we have a small group, we are never short on helpers and that is a blessing.

Our building fund is sitting at a little over \$230,000. We are praying that God would open doors in this area as well. If you feel led to make a donation or help in any way, please reach out to Brother Monty or myself. As always, let me know if you have any questions, and if you would like me to come and share the work with your church, you can contact me at 325-574-4414, or by email at crrobertson2004@gmail.com, or you can contact Brother Monty as well. Thank you again for the prayers and support

75 Friend Day, 1 Saved

We had a wonderful Friend Day! One was saved!

At least 75 maybe more attended, we lost count. Everyone worked hard to get our building ready for the Special Day.

The above picture is the entrance way into our new auditorium; our Welcome Center.

We are able to seat 200, but the number of chairs were only 100 and God filled nearly 80 of

those chairs. God is so Good!

Our fellowship was well attended.

Nearly everyone stayed for a good potluck meal which our ladies provided. Normally we would not have enough room for a good fellowship meal in our original space. But now we have more than ample space. Praise God for every blessing!

New Pastor's Office:

I was so surprised when Mary and Domingo Martinez, along with my wife and several others presented me with this beautiful office. They took several weeks finding everything and putting it

together in such a professional manner. I'm afraid to mess it up

now! I've already used it and it feels really good.

Mary & Domingo Martinez took charge of planting and landscaping the front of our building. They did a great job getting us ready for Friend Day.

Jase Fuller, our associate, worked super hard getting the auditorium ready and preparing for the worship music. Many others working together made it possible with the Lord's help.

Praise God for all His blessings.

Missions Report 9/30/26

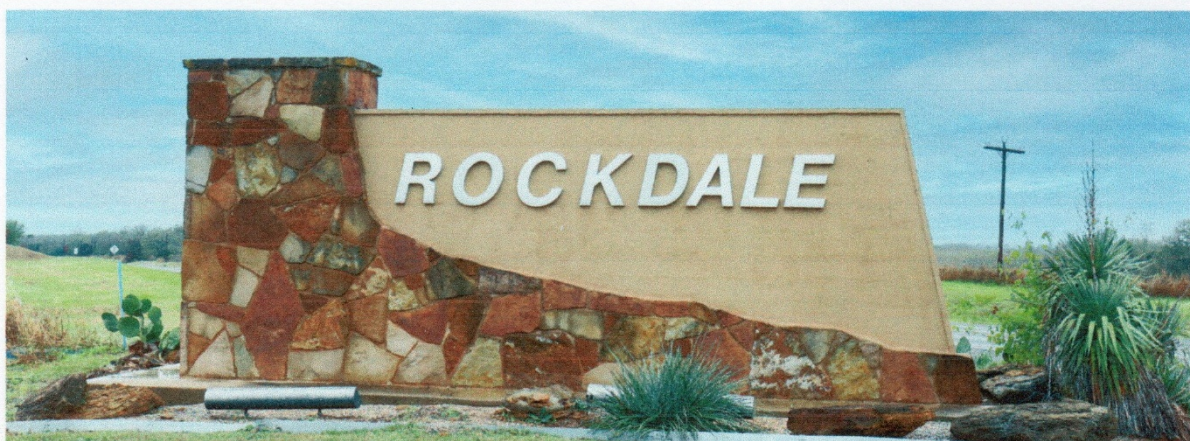

I want to take a moment to thank everyone who has contributed to our efforts to establish a new NT church in the Texas Hill Country. Some of you have given financially. Others of their time or materials. And still more have prayed for God's blessing to be upon us and His work here. We are grateful beyond what we could possibly express, and I believe God will repay all of those who make His Kingdom work possible.

Newspaper editor, Author Brisbane, is credited for coining the phrase, "A picture is worth a thousand words." I believe that to be the case here. There is nothing else that I could say that these pictures don't do far better than words. With that, enjoy these pictures of Jeremy and April who were recently baptized after making a profession of faith during our July outreach. They absolutely love their new life in Christ and their church family. You are a part of making this moment happen.

LANDMARK

BAPTIST CHURCH

Fellowship

5th Sunday Fellowship

We enjoyed a special day of praising the Lord through song, followed by a wonderful time of fellowship together.

Missions

Landmark Local Ministry

Through our Local Ministry, we continue to help individuals and families in our community with practical needs when we are able.

Visitors

First Time Visitors

We've been blessed by a young man who began visiting this month and has faithfully attended, as well as brought his brother one week.

AUGUST AT LANDMARK

August was another encouraging month at Landmark. We have been especially thankful for a young man who began visiting and has continued attending faithfully, even bringing his brother with him one week.

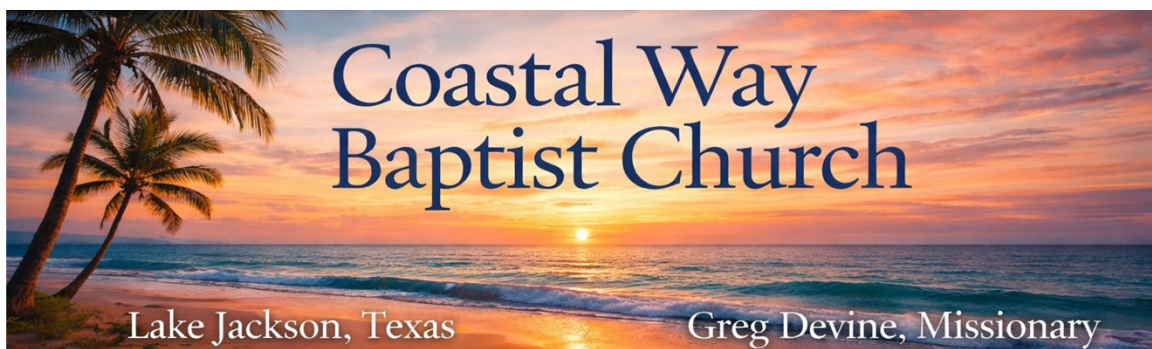

Our 5th Sunday Singing and Fellowship was another highlight. We were glad to welcome returning visitors as we spent the day praising the Lord through song and enjoying fellowship together.

We are also thankful for opportunities to serve our community through our Local Ministry and meet practical needs as the Lord provides. We appreciate your continued prayers for Landmark and look forward to what the Lord has in store.

2 new hosting homes for Bible study

- Coastal Way Baptist Church has been hosting a home Bible study in Lake Jackson ever since we started back in 2022. The current Thursday night Bible study has rotated between our home and another family's home since early in 2024. With 3 families joining the church in August, 2 of those new families have already begun to share in the hosting rotation. So now we have 4 different homes that are rotating the hosting of the Thursday night Bible study. This is exciting news for the church in that we have the potential to add another night of Bible study and create space to invite more people.
- God has blessed Coastal Way with many connections in our area. The newest connection we have is with the Brazoria County Recovery Committee. BCRC is a community that connects several different addiction recovery groups, including local chapters of Narcotics Anonymous, Alcoholics Anonymous, and Celebrate Recovery. On Saturday, September 26, the BCRC hosted their annual Walk for Recovery Event. This was a great day for our church to meet new people with around 400 in attendance. We had our diaper changing tent and passed out water bottles and cards with our text-for-prayer number. It's a great privilege to share Christ in a community that's helping people to find healing and a fresh start in life.
