R. E. Rogers, D. D.

IN MEMORIAM

Dr. R. E. Rodgers was born January 27, 1901 in the Zion Hill community of Rusk County, Texas. His parents were Jim and Larisa Rodgers. He married Genetta Deason. They were blessed with five children, three daughters and two sons. Buddy, the eldest son, is a deacon in Calvary Baptist Church of Henderson, Texas. Roddy, the youngest son, is a minister and began his schooling in Texas Baptist Institute and Seminary in the fall of 1968.

Dr. Rodgers spent most of his early ministry pastoring churches in the Mount Zion Missionary Baptist Association. After being called to pastor the Calvary Baptist Church of Henderson, Texas, he led this church in sponsoring The Texas Baptist Institute. He was elected the first president of the school. This position was held for two years.

Dr. Rodgers was saved in his youth and joined Zion Hill Baptist Church of Rusk County, Texas. He was later ordained a deacon in this church. At age 34 he answered the call of the Lord to preach the gospel and was liberated by the Zion Hill Baptist Church near Henderson.

Not long after leaving the school, Dr. Rodgers answered another definite call of the Lord to give himself to the work of organizing churches. He was sent out by the Calvary Baptist Church of Henderson, Texas, and served the churches of the Missionary Baptist Association of Texas as a salaried missionary for many years. While so serving, he led in the establishing of sixteen churches.

In 1967 the Texas Baptist Institute and Seminary confered the degree of Doctor of Divinity on Bro. Rodgers in recognization of his many years of faithful service.

His last years were spent as pastor of the Maple Grove Baptist Church of Minden, Texas.

Allen John Kirkland, Th. D.

Moderator Emeritus

of the Missionary Baptist Association of Texas

The Messengers of the Missionary Baptist Association of Texas on November 13th at Odessa, Texas, elected Dr. A. J. Kirkland Moderator Emeritus for life.

No man could be more deserving. Dr. Kirkland has had great influence in the development of the Missionary Baptist work in Texas---perhaps more than any other in his time. In every full-time pastorate he has trained young ministers. Under his leadership at the White Oak Missionary Baptist Church, the Te xas Baptist Institute was organized. He has worked with the school from its beginning and served as president for 18 years.

Dr. Kirkland has stood with courage and dedication to truth and principle as editor of the Baptist Monitor. He has wisely and efficiently led in stabilizing the Texas work and has had much influence for good throughout the entire nation.

CORDS THAT BIND

Moderator's Address: W. Herbert Brown

In the 3rd. Epistle of John we read, "The elder unto the well-beloved Gaius, WHOM I LOVE IN THE TRUTH."

There are two great cords which has held, and still holds and binds Christ's true Churches together and has seperated us from the false religions of the world. These two cords that bind true Baptist churches together, and will continue to bind, until Jesus comes are the CORDS OF CHRISTIAN LOVE AND TRUTH.

These cords, like-wise, have the greatest influence upon the lost world of all other things, as they are manifested in us and through us to others. Let us truly pray that these cords, as they are expressed in the song, "Blest be the tie that binds our hearts in Christian love, the fellowship of kindred minds is like to that above" may possess us, that the lost world may believe and be saved.

INSEPARABLE GRACES

The Scriptures enjoin these cords upon us as inseperable graces. Jesus prayed for unity of mind and enjoined Christian love upon us when He said, "That they all may be one" and commanded, "That ye love one another."

The Spirit of God by Paul said, "That ye all speak the same thing." Again Jesus said, "He that hath my commandments and keepeth them, he it is that loveth me." "If any man love me he will keep my words." The Bible plainly declares, "Love rejoiceth not in iniquity but in the truth." The Apostle John enjoined these two cords upon us as he said, "WHOM I LOVE IN THE TRUTH."

CORDS THAT BIND

The Bible clearly points out that these two things are the cords that binds and holds Christ's true Churches and dedicated disciples together.

The CORD OF TRUTH is the basis of Christian unity and union. Jesus said, "Thy word is truth". John said, "Try the spirits, whether they be of God; because many false prophets have gone out into the world." Ecumenicalism is union apart from truth. Therefore, for Christ's true Churches and disciples to remain true, they can join in fellowship only with those of kindred minds concerning the truth.

The CORD THAT BINDS us together, and makes us remain a peculiar people, seperated from false religions is our mutual beliefs of the truth, and our dedication to the unity of the Spirit, as we read in Ephesians 4:3-6, "Endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling, One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all."

The CORD OF LOVE which is---"shed abroad in our hearts by the Holy Ghost," is not only Love to God, the brethren, but also love for The Truth. "Love rejoiceth---IN THE TRUTH", not error. In II John we read, "Whom I love in the truth, and not I only, but also all them who have known the truth, for the truth's sake, which dwelleth in us, and shall be with us forever.

What fellowship and joy we have with all of God's children who believe and walk in the truth! "Behold how good and pleasant it is for brethren to dwell together in unity," Psalms 133:1.

When other things fail to bind the hearts of true Baptists together, then the cords of love and truth will succeed because "Love never faileth."

THE GREATEST IN-FLUENCE FOR GOOD

In conclusion, let me say again, that these two cords of Christian love and mutual faith in the truth are the greatest influences for good in the world.

Jesus said to His first little church, His own disciples, "by this shall all men know that ye are my disciples, if ye have love one for another," John 13:35. Again He said as He prayed for us, "That they all may be one, that the world may believe that thou hast sent me," John 17:21.

May thest cords that bind possess us in this session, in our churches at home, and in our daily lives, and through our missionaries abroad, THAT THE WORLD MAY KNOW AND BELIEVE AND BE SAVED.

CHRISTIAN EDUCATION REPORT

Just as preaching the gospel of Christ set forth in the Great Commission of our Lord is age-long and to every generation, even so, the teaching of the "all things" of that commission continues.

Christian education is the work of every church in its own organization and on its local field, but it is also--as much as possible--a world-wide work. Thus our Youth work in youth encampments and student fellowship groups on every college and University campus are important in their places.

All education is good in its place and there are particular phases of education which do not belong to our churches, but the burden of teaching that which Christ gave in the great commission belongs solely to His Churches and to no one else.

We believe the training of the ministry in this field is basic and Missionary Baptists are continually reaching out to meet the needs in this area. In the American Baptist Association Fellowship two new schools have recently been established, and one of these is in Texas.

This new school in Texas is primarily for the training of ministers in the Latin-American Language as missionaries and pastors in Mexico and other Latin-American communities. We believe that this is a movement in the right direction and, if given an opportunity to succeed, will result in great and lasting good.

There are also other teaching efforts going on in local areas. One of these is in Harmony Baptist Church of Pasadena, Texas; Dr. Frank L. Summers, pastor, and another in the South Union Baptist Church, Daingerfield, Texas; Dr. Elvin Crocker, pastor. The school in South Union Church is an extension work of The Texas Baptist Institute of Henderson, Texas.

Again, the Texas Baptist Institute is enjoying one of its finest and most prosperous school years. Our enrollment is up again and we have the largest first year class in our twenty years of history. Our extension school has also grown and fifty-six enrolled in the fall Seminar.

Offerings have been liberal from the churches from every section of the State and the school is in good financial condition. The fall effort to raise a special fund for this year's work was most gratifying. We asked for $5,000.00 and received $7,300.00. This effort was sponsored by the Alumni of Texas Baptist Institute and we express our thanks for a wonderful work well done.

A summary of our financial report for the past fiscal year ending May 31, 1968 is as follows.

General Fund offerings received, $26,698.49, and there was a balance on hand at the end of the year in amount of $1,771.18.

Building Fund, rentals and offering receipts, $15,143.17, and there was a balance on hand at end of year of $4,889.63.

The Book Shop showed a business volume of $15,941.02 and a net profit in amount of $844.91.

Incidental Fund, Including Student Aid receipts were in amount of $3,799.07 with a balance on hand May 31, 1968 in amount of $796.43.

All these funds are itemized and spent as designated in the annual report as examined by the Auditor and on file at the school, at Calvary Baptist Church of Henderson, Texas, and two copies of same are herewith handed to the recording clerks of this annual session of this Missionary Baptist Association.

REPORTS

INTERSTATE AND FOREIGN MISSIONS

The Lord commissioned the church at Jerusalem to go into all the world and preach the gospel to every creature.

As this work was done, other churches came into existence, each with this same commission.

The Lord assured His presence with these churches all the way, to the end of the world.

Acts 1:8 gives us liberty to designate mission work as local, state, interstate and foreign missions.

Messengers from the churches of the American Baptist Association in their 1968 session recommended seventy-two interstate and foreign missionaries and pledged to encourage the churches to support them sufficiently for them to give full time to preaching the gospel in their respective area, wherever the Lord may lead them.

May the churches give, as the Lord prospers them, to this work.

Offerings should be sent to THE AMERICAN BAPTIST ASSOCIATION, BOX 1050, Texarkana, Ark.-Texas.

Presented by your committee:
A. L. Patterson
J. L. Mitchell
Isaac J. Smith

BENEVOLENCE

One of the great works of the New Testament Churches is that of Benevolence. We believe this to begin in the Church Family and then also in such a program as the Orphanage at Texarkana, Arkansas. The support of the Churches of the State of Texas and of the American Baptist Association is very encouraging.

May we continue this great labor of love in providing a Christian home and training for these boys and girls who are less fortunate than we are.

Respectfully Submitted,
C. H. McBryde
H. E. Rhodes

YOUTH WORK REPORT

Youth work among Missionary Baptists continues to grow. Each year several thousand meet on our camp grounds at Boggs Springs, Arkansas. This past July nearly 700 Texas Youth enjoyed a great week of Christian fellowship. More than seventy were saved.

We urge the continued support of Youth Work, beginning at home, continuing in our churches and church-sponsored programs.

Let us pray for those who have both the opportunity and ability to work with our youth. There is a definite place for them in the Lord's work and we who are older must guide them in their activities.

Youth Committee,
L. Chester Guinn
Luther Crawford
Ken Ashlock

PUBLICATIONS REPORT

Probably nothing in the history of man has at the same time been such a blessing and a curse. It was by the printed page God chose to preserve and disperse His revealed truth. By it Satan has also chosen to dispurse his devilish doctrines.

Our own publications should become doubly important to all of us as we see their great value in preserving and proclaiming truth and at the same time exposing that which is false.

Great progress has been made in recent years by our A. B. A. publications business in Texarkana. Sunday School, B. T. C. and V. B. S. literature has been much improved and expanded. A good number of much needed books by our own Missionary Baptist writers has been published. And numerous tracts and booklets have been published for free distribution. Our A. B. A. publications staff in Texarkana is to be commended and supported.

Another publication that is invaluable to our work is the Baptist Monitor. Possibly no publication has enjoyed so much good influence over all our A. B. A. work. We recommend that there be a renewed interest in getting this publication into all of our Baptist homes.

Your Committee,
Ray O. Brooks
O. H. Griffith
Cass S. French, Jr.

M.B.S.F. REPORT

Every year seems to mark new progress in this very vital mission work, the Missionary Baptist Student Fellowship. Nationally the work is growing with more students being reached and new fellowships being organized. Here in Texas, one new group has been organized at Tyler Junior College, sponsored by Unity Baptist Church of that city. The new M. B. S. F. Summer Missions program had four workers on various fields in four states and this summer work should show great growth.

Prospects for new fellowships being organized sometime look promising, but thus far have failed to materialize in most cases. This work must have the support of the local pastor (s) and he, the pastor, must have the support of his church in the matter. Many times, possible due to ignorance of the M. B; S. F. work, the college town church is not whole-heartedly behind the work. This points to the need for more education concerning the Student Fellowships.

College town pastors still need the names and addresses of students since it is practically impossible to find many of the students otherwise. If everyone cooperates beautifully we still cannot keep all our students faithful.

In order to promote this M. B. S. F. work which continues to prove a great blessing to our Missionary Baptist Churches and work in general, we, your committee, recommend the following:

(1) That space in our Sunday School and B. T. C. literature be given to educating our people to the M. B. S. F. work.

(2) That churches, youth meetings and other groups be encouraged to use the services of Bro. Johnny Goodman, National M. B. S. F. representative Bro. Richard Sorrells, Arkansas State M. B. S. F. missionary and our own M. B. S. F. State representative Bro. Robert M. Myers. These men and the students they work with can present very warm spiritual, informative and stimulating programs.

(3) That those who desire current information about the M. B. S. F. work should subscribe to the Beacon, a monthly newspaper published by the M. B. S. F.

STATEMENT OF MISSION POLICY

SECTION I.

SECTION II.

Each church recommending a missionary from their membership to the churches of the Missionary Baptist Association of Texas in annual session is requested to submit for public reading a brief summary of the activities of the recommended missionary in the ministry that the messengers may know something of the abilities, training, and work of the man. This information will greatly aid the messengers from the churches in making their decisions about individual missionaries.

YOUNG WOMEN'S AND GIRL'S AUXILIARIES

The future of our young girls rests upon women who are willing to give their time and effort in directing and developing their Christian character. These women need to be dedicated in this great responsibility.

Girls are taught the need of a Saviour, plan of salvation, how to work together and advance the Lord's work in the Church. Every "forward step" helps them to grow in grace and knowledge of our Lord.

We believe these Auxiliaries to be an asset to any Church. It affords opportunities within the Church life for every phase of their development.

Therefore let us enlist girls while they are young that they may be trained to become the spiritual leaders of tomorrow.

Respectfully submitted,
Ava Nell Knight
Bonnie E. Vaughn
Linda Ashlock

RECOMMENDATION

The West Texas-New Mexico District Ladies Auxiliary recommend adding the initials L. D. S. to our personal service reports. These initials stand for Ladies Donating Service. We hope that this will cover many of the services done by ladies. For example: babysitting while others visit, sitting up for sick, ironing for sick members, things that are not covered by other categories on personal service report.
